are available before school, after school and at lunch. Also CANVAS is available as an app for both Apple and Android devices.

- c. Physical Education Standards: The ultimate purpose of our physical education program is to help all students gain the skills & knowledge to be physically active for a lifetime. Our program is designed to provide a safe & inclusive learning environment which requires students to regularly participate in a physical fitness program and meet California PE Content and FITNESSGRAM standards stated below:

California High School Content Standards

Overarching Standard 1: *Students demonstrate knowledge of and competency in motor skills, movement patterns and strategies needed to perform a variety of physical activities.*

Overarching Standard 2: *Students achieve a level of physical fitness for health and performance while demonstrating knowledge of fitness concepts, principles and strategies.*

Overarching Standard 3: *Students demonstrate knowledge of psychological and sociological concepts, principles and strategies that apply to the learning and performance of physical activity.*

- d. Physical Fitness Testing (FITNESSGRAM). The primary goal of the FITNESSGRAM battery of tests is to assist students in establishing lifelong habits of regular physical activity. The FITNESSGRAM is conducted in November (upper class only) and March. Students will be pre-tested to establish baseline fitness levels and set personal goals. The FITNESSGRAM tests 6 main fitness areas that represent 5 components of fitness: Aerobic Capacity, Muscular Strength, Muscular Endurance, Flexibility, and Body Composition. Students who do not achieve 5 out of 6 Healthy Fitness Zones must continue taking physical education or JROTC courses until an overall passing score is obtained. As FITNESSGRAM is a state-mandated test, student scores will **not** be computed as part of their academic grade. The 6 FITNESSGRAM required tests areas are:

1. Aerobic Capacity (PACER, One-Mile Run, or Walk Test)
2. Abdominal Strength and Endurance (Curl-Ups)
3. Trunk Extensor Strength and Flexibility (Trunk Lift)
4. Upper Body Strength (Push-Ups, Modified Pull-Ups, Flexed Arm Hang)
5. Flexibility (Back-Saver Sit and Reach, Shoulder Stretch)
6. Body Composition (Body Mass Index [height and weight])

BECOMING AMERICA'S BEST

PE grade will include the cadet's preparation (i.e., coming to class ready to learn), cooperation, participation in class, attendance, leadership, etc. Since a cadet earns PE and elective credit for this class, there will also be an emphasis on dressing for physical education in appropriate Physical Education attire and actively participating in the physical fitness exercises. The academic grade (learning-focused) is based on the degree to which each student meets or exceeds the 3 overarching *California Model Content Standards* and corresponding performance standards.

- e. Medical Excuse: A written note from a parent or guardian is required to excuse or modify students' participation in class due to a current medical condition. A note from a physician is required for any student that is not able to participate for three days or more. Any time that a student is not able to participate in class activities (due to medical reasons or excused absences) they are required to suit-up to receive credit.

3. UNIFORMS. Cadets are issued an AJROTC uniform (shirt, pants, footwear, headgear, socks, belt, and earned cadet decorations and awards) at no cost on a loan basis. Cadets are responsible for the condition of these items and for the proper return of all items at the end of the school year or when they leave the AJROTC program. Students are responsible to pay for damaged or lost items. A white t-shirt provided by the student/parent is required to wear under the issued uniform shirt. Cadets are required to wear the cadet uniform one day each week (normally on Tuesday, with make-up for an absence on Thursday). Wear of the uniform in accordance with Department of the Army standards (to include hair length and grooming standards) is mandatory. Participation in after-school or off-campus activity may require the wearing of the uniform. **On uniform day, cadets will wear the uniform throughout the entire school day, to include to and from school, unless specifically excused by one of the instructors.** Cadets are responsible for the proper wear and maintenance of their issued uniform. On physical fitness days (normally Monday, Wednesday and Friday) cadets must suit-up for physical training (PT) in their student supplied PE shirt, shorts or sweatpants and tennis/athletic shoes. **Proper wear of the Cadet Uniform and "suiting-up" for PE and participating is a major portion of the grade in this class.**

4. GRADES.

- a. Academic grades are determined by a combination of practical/hands-on performance, written examinations, wearing of the uniform, suiting up for physical training and participation. LET-1 cadets are first year students.
